

## AVS/IVSA UK & Ireland Elections 2021

**Name:** Sophie Griffin  
**Position:** IVSA Promotional officer  
**Vet School:** University of Nottingham  
**Year:** 3rd Year

### About me:

I am in my third year at Nottingham and have been junior and then senior IVSA rep. I have loved being a part of IVSA and learning about all of the experiences and support it can offer vet students, and I would love to be a part of it next year and help to promote all that IVSA achieves.

### Experience:

I have been Junior and am now Senior IVSA Rep in Nottingham. I have learnt so much in those two years - how to effectively fundraise, organise a team of people and run social media accounts. I am also on the committee for the One Health conference this year, and designed the poster for this. Last year I was Junior Ents Officer in our SU, and organised events for students on our campus. Therefore I have lots of experience promoting events and working with a team of students to achieve this, and believe I can successfully research and promote IVSA news and opportunities.

### What I would try to achieve in my role:

I love the work that IVSA does and I would like to reach out to as many vet students as possible so that they are aware of all of the opportunities IVSA can give them. I think I can create engaging content to educate people about IVSA news and events, and help to increase activity on our social medias.

### Why you should vote for me:

I believe I have the experience and enthusiasm to be a successful Promotional Officer. I am passionate about showing vet students what IVSA can offer them and think I have the experience to work with the Communications Officer to create engaging content that will showcase the exciting opportunities and news from IVSA.
